

THE **PEOPLE** CONCERN

Because everyone should be housed, healthy and safe.  
OPCC & LAMP COMMUNITY UNITED

Dear Colleagues and Community Members,

These past few weeks in America have shone a light on racism, fear and hate. Our hearts are filled with sorrow and hurt as we continue to process the wrongful death of George Floyd and the impact of his death, along with similar acts of senseless violence, on our collective humanity. The People Concern stands in solidarity with Black Americans. As an organization serving our most vulnerable neighbors, we see the over-representation of People of Color, and specifically Black Angelenos, in Los Angeles' homeless community; we will not be silent and will continue to do what we can to combat injustice and structural, systemic racism. The People Concern remains committed to cultivating a more equitable future so that all of our neighbors can be housed, healthy and safe.

Sincerely,

John Maceri, CEO
